

SialSourcing — Company Profile

End-to-end sourcing & supply chain partner · Sialkot, Pakistan — Dallas, USA — Paris, France

SialSourcing is an end-to-end supply chain company connecting international buyers with vetted manufacturers in Sialkot, Pakistan. We manage manufacturer selection, sampling, production supervision, laboratory testing, AQL 2.5 pre-shipment inspection, export documentation, and freight — buyers pay locally (USD to our Dallas office, EUR/GBP to Paris) and payment is released to the factory only after the buyer approves the quality inspection report.

Product Categories

Leather Products

Cutlery & Kitchenware

Quality & Compliance Framework

- Own QC inspection facility and in-house testing lab in Sialkot; AQL 2.5 statistical pre-shipment inspection on every order with photographic report
- Third-party certification coordination: ISO 13485, CE marking, FDA compliance, REACH, OEKO-TEX, EN388 — through internationally accredited laboratories
- 100+ physically audited manufacturers; ongoing factory relationships and in-line production supervision
